Dear Mr. McNair:

This is in response to your March 25, 2003 letter, received in the board's office this date, requesting the current status of your complaint. In reviewing the file, the following has occurred:

1. February 24, 2003 -- you filed your Response to Maricopa County's Second Motion to Dismiss.
2. March 3, 2003 -- we received the Hearing Officer's Order on Motion for Extension of Time dated February 24, 2003, which he granted, giving you until March 14, 2003 to file your response.
3. March 4, 2003 -- we received your letter addressed to Judy Henkel which she responded to on March 7, 2003.

Nothing else has been filed with regard to your appeal until your letter of March 25, 2003.

Normally, if any kind of a motion or response to such has been filed with this office, you should have been supplied a copy from the party filing such and if we noticed that you had not been provided a copy, we would have provided one). And the reverse is true, if you file a motion you need to supply a copy to the opposing party.

To date, no ruling has been received from the hearing officer with regard to the Second Motion to Dismiss.

Sincerely,

Laurie Butler  
Administrative Assistant II
