You have been given a deferral, as you requested at the time of filing. A deferral is a postponement of payment until you receive further notification from the Court. At this time you do not have to pay any filing fees. However, at the conclusion of your case the court **will** notify this department of all fees that are due, and we, in turn, will notify you. At that time, you may pay the fee or you may request a supplemental application from the court for a delay of payment or a waiver of fees. Please note: this cannot be done until after the final hearing.

This is **only** a notice. You are **not-required to make any** payment until you receive notification at a later date.

If you have any questions, please call 602-506-7861.
